Christmas/New Years/Winter Break	
No school	Dec. 19— Jan 2
School Resumes	
Jan	

The After School Program will present their annual Winter Talent Show/Christmas Program on Friday evening, December 16th at 7:00 in the gym. This is a wonderful event and one you won't want to miss.

Parents and community members continue to donate time and resources to our schools and it is greatly appreciated. It makes a big difference. Volunteers have recently helped with our school garden, donated plumbing repairs in classrooms, pest control service, library services, two loaded computer carts, time in classrooms helping teachers, and more. And our Parent Teacher club is very active making it possible to offer our students a wide variety of activities.

December is another busy month. We will be half way through the 2nd trimester before we go out on break. **Reminder:** School will be closed from Dec. 19 through Monday, January 2nd. School will resume on Tuesday, January 3rd. It is very important to remind your student to stay current on all assignments. With all the excitement December brings it is easier than usual to forget things. Older students should be keeping their planners up to date and sharing the information with their parents on a regular basis. Don't wait until the last minute to get started on those projects. For all students it helps a lot when parents take the time to look at work coming home each night and talk about it with them.
